

Tanner is A Distributor Of

ARMOR - GUARD
PROTECTIVE COATINGS, INC.

ARMOR-GUARD is specifically formulated to provide Temporary Protection to Window Frames, Gaskets and Glass.

SPRAY OR ROLLED ON

Armor-Guard peelable protective coating is first in a liquid state and is sprayed or rolled on -- taking shape completely to the product needing protection.

SIMPLE, EASY REMOVAL

Removal of the product is simple and straight forward: the product simply peels away in large sheets, by hand, and can be disposed of as normal site debris.

LAB TRIED & TESTED

Armor-Guard products have been tested independently and by the world's leading paint, glass, silicone and gasket manufacturers.
